PRELIMINARY AMENDMENT CANCELING CLAIMS

Sir:

Prior to calculation of the filing fee in the above-identified application, kindly enter the following:

IN THE CLAIMS

Applicant amends Claim 17 to read as follows:

B' 17. (Amended) A video projector, comprising the polarized color filter according to claim 5, wherein the reflection optical modulating element is provided on the emission side of said polarized light color filter; the projection lens is provided on the non-emission side of said polarized light color filter; the three primary lights to be emitted to said reflection optical modulating element from said polarized light color filter are controlled on the time-division basis by controlling the voltages applied to the first, second and third polarized light converting elements.
